The GVSA league allows players through U14 to play up a maximum of two age groups with the exception of U7 players who may play up one level and enter a U8 team. GVSA does not offer U7 divisions. Consider this when attending tryouts. Players may wish to try out for more than one age group depending on their ability.

**WHERE:** Tryouts will be held on the Reeths-Puffer High School Soccer practice field behind Reeths-Puffer Elementary School.

The RP Elementary School address is 1404 N. Getty Street, Muskegon. The practice field is next to the RP High School Soccer field and a short walk from parking behind the RP Intermediate / RP Elementary cafeteria.

**BRING:** Come prepared as you would for a game (cleats, shin guards, water and appropriate ball), but don't wear RPYSC colors. Players under the age of 18 should be accompanied by a parent or guardian. Tryout registration forms will be available on the day to complete or fill in the form in this packet and bring it with you. A parent or guardian must sign the form and accompany all players under the age of 18 to tryouts.

**EVALUATION:** Be prepared to demonstrate your best at all times during the tryout session. Although your soccer skills on the field are obviously important, evaluators will also be looking for examples of good sportsmanship, ethics and communication with your fellow players, coaches and officials. We will be looking for players who are willing to listen and grow.

**Players must not wear club uniforms.**

**A parent or guardian signature is required on the tryout registration form before a player will be allowed to participate in tryouts.**

**There is no cost to participate in tryouts.**

**Tryouts are open to all area soccer players whether or not they attend Reeths-Puffer School District.**

# 2010-11 RPYSC Select Program Information

1. League rules have changed for 2010 regarding player commitment dates. We will begin making offers to players from June 16<sup>th</sup>.
2. Tryout evaluators will score each player and offer feedback. Coaches will make final team selections based on evaluators scores. RPYSC creates select teams based on ability, interest and coach availability. We will continue to create recreation as well as select teams. We will recommend a player continues their soccer development on a RPYSC recreation team and tryout again the following year, if evaluators determine they are not at the level of select play.
3. RPYSC select teams are registered with the Grand Valley Soccer Association (GVSA). For more information visit: [www.gvsoccer.org](http://www.gvsoccer.org).
4. Select teams follow GVSA game rules and bylaws.
5. Commitment to a select team is for both fall and spring seasons for all players in age groups U14 and below.
6. The RPYSC Select registration fee for 2010-11 is \$180. This may be paid in full at the time of registration or \$90 with registration and the remaining \$90 before the first fall game. 7. Individual coaches may expect their teams to attend additional tournaments, clinics and indoor soccer sessions during the winter. Estimates for these team specific, additional, costs will be included with your invitation to play on a select team after tryouts. You will have the opportunity to review and agree to these additional costs before submitting your registration form after tryouts.
8. Uniform costs are not included in the registration fee. The standard RPYSC green jersey will be used for away games. These will cost \$25 from concessions. A special select home uniform package (jersey, shorts, socks) will be available for purchase from Just For Kicks, Muskegon. We expect total home and away, uniform cost to be under \$100 depending on the options (Eg. extra socks, shorts etc) you choose.
